**ON FIELD REPORT:**

What a roller coaster ride this season has been.....At the time of writing this the big game against Hawthorn (and our finals fate decided is in just two days). Although, we have been very competitive against the top sides this year, we seem to struggle against the lower sides on the ladder and also when we travel interstate. Several of our youngsters have been superb – Ryder, Pears, Hurley, Prismall and Reimers – just to name just a few. What a great future our Club has ahead. **NOTE:** In the event of Essendon making the 2009 Finals Series, all relevant information will be made available via the SA Bombers Website as of Monday 31st of August. GO BOMBERS!!
